Products on Display

Join Planar and Leyard for product demonstrations at our Ottawa Open House & Training Event.
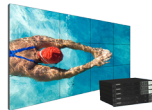

Leyard TWA Series
The Leyard® TWA Series is a line of fine pitch LED video walls with a unique "flat panel" design that features a 16:9 form factor, ease of installation and service, and outstanding flatness uniformity.

Planar DirectLight LED Video Wall System
The Planar® DirectLight™ LED Video Wall System is a family of seamless, ultra-fine pitch direct view LED video walls that provide a superior visual experience, and 24x7 reliability tailored to your unique indoor environment.
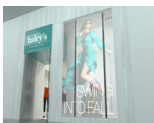

Clarity Matrix LCD Video Wall System
This immersive, flexible video wall combines the industry's thinnest profile ultra-narrow bezel LED LCD with improvements in design, installation and service, delivering on its reputation as the best-in-class LCD video wall solution.

Planar UltraRes Series
Planar® UltraRes™ Touch displays combine an 75", 84" or 98" multi-touch experience with stunning 4K image clarity, providing a best-in-class solution for professionals who seek to collaborate or annotate using a large.

Planar LookThru Transparent OLED Display
The first-of-its-kind Planar® LookThru™ OLED transparent display is a self-emitting display that utilizes cutting-edge Organic Light Emitting Diode (OLED) technology to eliminate the need for a backlight or enclosure, making it possible to create truly see-through installations.

Clarity Visual Control Station (VCS)
Clarity® Visual Control Station™ (VCS™) is a flexible and easy-to-use video wall processor designed to capture, display and manage multiple sources on a video wall supporting a wide variety of visual inputs including analog, digital, and IP network-based video and computer sources.
