PRODUCTS ON DISPLAY

Join Leyard and Planar for product demonstrations at our Philadelphia Open House & Training Event.

Leyard TWA Series

The Leyard® TWA Series is a line of fine pitch LED video walls with a unique "flat panel" design that features a 16:9 form factor, ease of installation and service, and outstanding flatness uniformity.

Leyard TVH Series

The Leyard® TVH Series delivers industry-leading image quality and features an advanced design offering high reliability for a range of demanding indoor applications.

Planar DirectLight LED Video Wall System

The Planar® DirectLight™ LED Video Wall System is a family of seamless, ultra-fine pitch direct view LED video walls that provide a superior visual experience, and 24x7 reliability tailored to your unique indoor environment.

Clarity Matrix LCD Video Wall System

This immersive, flexible video wall combines the industry's thinnest profile ultra-narrow bezel LED LCD with improvements in design, installation and service, delivering on its reputation as the best-in-class LCD video wall solution.

Planar Mosaic

Planar® Mosaic® Architectural Video Walls redefine interior spaces by providing endless possibilities for creative expression and offering a dynamic new way to deliver art and information.

Planar UltraRes Series

Planar® UltraRes™ Touch displays combine an 75", 84" or 98" multi-touch experience with stunning 4K image clarity, providing a best-in-class solution for professionals who seek to collaborate or annotate using a large viewing area, the highest image resolution and enterprise-level features.
