## PRODUCTS ON DISPLAY

Join Leyard and Planar for an Open House & Training Event at the Grand Opening of our NYC Demo Facility. The facility features the latest LED and LCD display solutions from Leyard and Planar.

### Leyard DirectLight LED Video Wall System

The next-generation Leyard® DirectLight® LED Video Wall System is a family of seamless, ultra-fine pitch direct view LED video wall displays that have an off-board design with redundant power supplies and is accompanied by a fully front-serviceable ADA-compliant mounting system.

### Leyard TWA Series

The Leyard® TWA Series is a line of fine pitch LED video walls with a unique "flat panel" design that features a 16:9 form factor, ease of installation and service, and outstanding flatness uniformity.

### Leyard CarbonLight LED Displays

Leyard® CarbonLight™ LED Displays are a comprehensive line of LED display solutions delivering a wide range of unique LED display solutions for eye-catching, creative public venue installations specifically for rental, staging and fixed-flexible installations.

### Clarity Matrix LCD Interactive LCD Video Wall System

Clarity® Matrix® MultiTouch LCD Video Wall is an ultra-slim profile touch screen video wall that enables up to 32 touch points and allows multiple users to simultaneously interact with the video wall without affecting other users, ideal for public spaces or collaboration environments.

### Planar Mosaic

Planar® Mosaic® Architectural Video Walls redefine interior spaces by providing endless possibilities for creative expression and offering a dynamic new way to deliver art and information.

### Planar UltraRes Series

Planar® UltraRes™ Series is a line of 75", 86" and 98" Ultra HD resolution professional LCD displays with best-in-class image and color quality for native 4K and upscaled content.
