

Course Name: Clarity VCS Video Wall Processor Certified Installer Training

Sponsor: Leyard and Planar, a Leyard Company

CTS Renewal Units: 4.0 CTS or CTS-I

Course Description:

The Clarity® Visual Control Station™ (VCS™) Video Wall Processor Certified Installer Training Course is an introduction to the Clarity VCS Video Wall Processor and is designed to prepare attendees for installation of the product. The course begins with a brief overview of the product, models and versions available, then moves into the installation process including mounting, source routing set-up and software configuration. Upon completion of the course, attendees will become certified installers of the Clarity VCS Video Wall Processor.

Course Time: 8.0 Hours

Learning Objectives:

At the end of this program, attendees will be able to:

- 1) Recognize and understand the Clarity VCS Video Wall Processor, the options available and how each option affects installation and design.
- 2) Design and configure Clarity VCS Video Wall Processor using the Clarity® VCS™ Calculator Tool.
- 3) Physically install VCS™ Control Software for set-up, configuration and networking to single and multiple video walls.

Sponsor Information:

Leyard is a global leader in the design, production, distribution and service of digital displays, video walls and visualization products worldwide. The Leyard Group of companies and brands, which includes [Planar Systems](#) acquired in 2015, is comprised of displays, entertainment and lighting system solutions. Leyard is the number one market share leader in the LED display market and fine pitch LED and offers indoor, outdoor, fixed and creative displays ([Futuresource](#) 2017). Used in applications such as broadcast, sports arenas, stadiums, advertisement networks, retail digital signage, control rooms, exhibitions, large scale events and digital cultural experiences, Leyard enjoys marquee installations globally and has over 300 patents in display technology. Founded in 1995, the group is headquartered in Beijing, China, and is traded on the Shenzhen Stock Exchange (stock code: 300296). *Forbes* magazine (2013) named Leyard among “China’s Top 100 Most Potential Listed Companies.” For more information, visit www.leyard.com.
