Planar PLL2210MW - White

22" LCD Monitor

The Planar® PLL2210MW-WH is a 22", slim, widescreen monitor that delivers superb Full HD image performance at a great price point for any home or office. It incorporates blue light reduction presets, enhancing visual comfort when viewing for extended periods. Its LED backlight technology reduces energy consumption and it features an external power supply and VESA compatibility making it especially suited for hospital or medical offices and medical carts.

SPECIFICATION	DETAIL
