

Thin Client Bracket

Attach a Wyse® S-Series Thin Client
to Your Monitor!

Save space and integrate your
Thin Client terminal on the back
of your Planar monitor!

The Thin Client bracket is designed to
securely hold a S-Series Wyse Thin Client
using the exposed 75mm or 100mm VESA mounting
pattern on the back of the monitor.

Perfect for mounting your monitor and thin client to a
medical cart, swing arm or wall mount.
