

Thin Client Bracket

Attach a Wyse® V-Series Thin Client
to Your 17" or Larger Monitor!

Save space and integrate your
Thin Client terminal on the back
of your Planar monitor!

The Thin Client bracket is designed to
securely hold a V-Series Wyse Thin Client
using the exposed 75mm or 100mm VESA
mounting pattern on the back of the monitor.

Perfect for mounting your monitor and thin client to a
medical cart, swing arm or wall mount.
