Planar's Customer Service staff will attempt to correct any minor issues that might be causing the problem. Planar requires the return of the defective part to a Planar Authorized Repair Facility within 30 calendar days.¹

1. Upon receipt of the replacement part, inspect the packaging and part for shipping damage. Report all damage immediately to the carrier and/or the Planar Service Representative.
2. Follow the processes and procedures provided by Planar Service Representative. If any issue arises during the replacement, contact Planar Service at 1.866. PLANAR1 (1.866.752.6271).
3. After receiving the Advance Replacement part, the Customer will have 30 calendar days from the date of receipt of the Advance Replacement Product, to return the defective, authorized RMA Product to the Planar authorized return facility or they will be charged the current market price for the part. The Customer should:
 - a. Return the defective Product in the box in which the Advance Replacement Product was shipped.
 - b. Return only the defective part. Planar will not be responsible for returning or replacing any accessories (as mentioned in the Length of Warranty section) that are returned with the defective Product.
 - c. Return the part to the repair location specified by the Planar Service Representative. Clearly mark the RMA number. Verify that the RMA number on the return label matches the RMA number for the defective part being returned.
