

# SLEEK ZERO BEZEL TOUCHSCREEN MONITORS FOR EVERY APPLICATION!

Planar provides the best quality and highest reliability touch products in the industry, backed by the best warranty in the business. Planar's newest *ClearTouch*™ line of touch monitors sport a zero-bezel stylish look. With an all glass overlay and full HD support, this monitor delivers benefits that combine the ultimate in optical qualities with a stylish, easy to clean, seamless front face.

Similar to a smartphone, this monitor features multi touch and provides the most responsive gestures based monitor on the market today.

## WHY BUY PLANAR TOUCHSCREENS?

- Best quality, reliability, and value backed by industry leading 3-Year, 2-Day Advance Replacement
- Name you can trust, with over 28 years in the display industry
- Committed to customer satisfaction with 2-Day Advance Replacement and paid freight over the life of the warranty
- Easy to use and setup
- Window® 7 compliant and driverless
