Warranty Coverage

Planar warrants its products to be free from defects in material and workmanship during the warranty period provided below. If, in Planar's determination, a product proves to be defective in material or workmanship during the warranty period, Planar will replace the defective part with a similar new or like new part. If the issue cannot be resolved with a part replacement, Planar will replace the product with a similar new or like new product, or, if replacement of the part or product is determined by Planar to not be commercially feasible, Planar will refund a prorata share of the purchase price (calculated based on the remainder of the warranty period and the then-current MSRP¹ of a similar product). Defective lamps are defined as lamps that fail or drop below 50% of initial brightness within the warranty coverage period for lamps (see Length of Warranty section).

Length of Warranty

All Planar Lamp-Based DLP Video Wall products are warranted for two (2) years from the date of shipment from Planar.

¹ MSRP is defined as the most recent product price listed on Planar's price list.

Lamps are warranted for ninety (90) days from the date of shipment from Planar.

All accessories, field replaceable units (FRUs), and Indisys integrated components which include, but are not limited to cables, remotes, power supplies, color wheels, and fans purchased at the time of the initial product purchase are warranted for two (2) years from the date of shipment from Planar.

All accessories, field replaceable units (FRUs), and Indisys integrated components which include, but are not limited to cables, remotes, power supplies, color wheels, and fans, purchased after the initial product purchase are warranted for ninety (90) days from the date of shipment from Planar.

Eligibility

This Standard Limited Warranty covers product purchased from a Planar dealer or distributor located outside of United States, Mexico, or Canada and is valid only for the first customer who purchased the covered product. The Planar dealer or distributor may contact Planar Technical Support on your behalf in the event of a product defect. This warranty is not transferable. You may be required to provide evidence of proof of purchase.

Replacement Guidelines

Planar's Video Wall products are designed to be easily serviceable by the customer. The majority of parts in each Video Wall product are built as modules that can be replaced quickly; these modules are called Field Replaceable Units (FRUs). It is often easier and more cost effective for customers to replace modules than to send the entire display back to Planar's factory for repair. If the issue cannot be resolved with a part replacement, Planar will replace the product with a similar new or like new product. In the event of a product defect, please follow the warranty replacement procedure below:

1. Contact Planar Technical Support via email or phone. Email addresses are: (France) emeats@planar.com or (U.S) ts@planar.com. Technical support phone hotlines are: (France) +33 5 63 78 38 10 or (U.S) 1-866-PLANAR-1 (1-866-752-6271).
2. Provide the serial number, product model number, purchase date, description of the problem, and troubleshooting steps already attempted.
3. Planar Technical Support staff will attempt to correct any minor issues that might be causing the problem. If Planar is unable to resolve the problem through troubleshooting, a return material authorization (RMA) number will be issued for the defective part or product if it is determined that the claim was made within the coverage period of the Standard Limited Warranty and a replacement will be sent to the customer.
4. Planar will ship the replacement part or product via ground shipping (or the least expensive shipping method). Customer is responsible for excess charges for any other method of shipping that may be requested.
5. Upon receipt of the replacement part or product, customer should inspect the packaging and materials for shipping damage. Report all damage immediately to the carrier and/or Planar Service Representative.
6. Customer will have thirty (30) calendar days from the date of receipt of the Advance Replacement part or product to return the defective part or product to the Planar authorized return facility or Planar will invoice customer and customer shall pay Planar within thirty (30) calendar days from invoice date for the current market price of the Advance Replacement part or product. Planar reserves the right to refuse warranty service for a past due account. Customer shall:
 - a. Return the defective part or product in the box in which the Advance Replacement part or product was shipped. LCDs must be shipped on a pallet in a vertical position.
 - b. Return only the defective part or product. Planar will not be responsible for returning or
