Planar Accessory Customer First™ 90 Day Warranty

All Planar® Accessory products (Product) feature a 90 day warranty. Accessory is defined as any component external to the Product or any consumable for the product, but is required for operation of the Product.

Warranty Coverage

Planar warrants its Products to be free from defects in material and workmanship during the warranty period. If, in Planar's determination, a Product proves to be defective in material or workmanship during the warranty period, Planar will, at its sole option, replace or repair the Product with a similar new or refurbished Product or refund the lesser of a prorata share as determined by the remainder of the warranty period of the then current MSRP or the depreciated value of the Product based on the purchase price if replacement or repair of the Product is not commercially feasible. MSRP is defined as the most recent Product price listed on Planar's On-line e-store.

Length of Warranty

Planar accessory products are warranted for 90 days. Warranty begins upon date of shipment of Product.

Who the Warranty Protects

This warranty is valid only for the first consumer purchaser. Customer may be required to provide evidence of proof of purchase.
