Caution

1. To ensure safety, please read this manual carefully before installation and follow the instructions herein. Store this manual in a secure place for future reference.
2. The manufacturer shall not be legally responsible for any equipment damage or personnel injury caused by incorrect installation or operation other than that covered in this manual
3. The subject product is designed for easy installation and removal. The manufacturer shall not be liable for damage to equipment or personnel injuries arising out of human factors or acts of God, such as earthquake or typhoon.
4. It is recommended that the subject product be installed by qualified personnel only.
5. At least two persons are needed to install or remove the product to avoid hazard of falling objects.
6. Do not modify any accessories or use broken parts. Contact your dealer with any questions.
7. Tighten all screws (do not exert excessive force to avoid breaking the screw or damaging its thread).

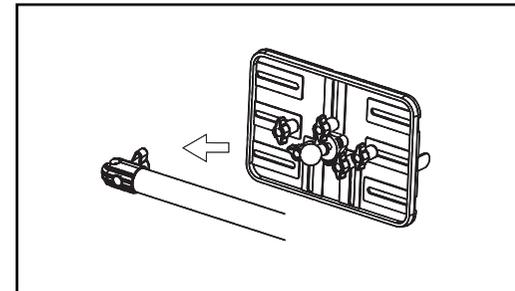

Various displays have different screw hole specifications. Please check that the Screws(M) fits the specifications for the display to be mounted.

Installation Process

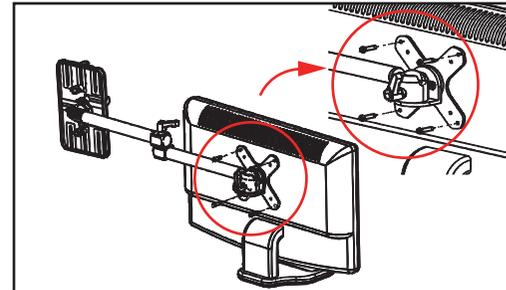

For smaller 7" tablets:
Replace Top Arrow Clip
with Short Arrow Clip.

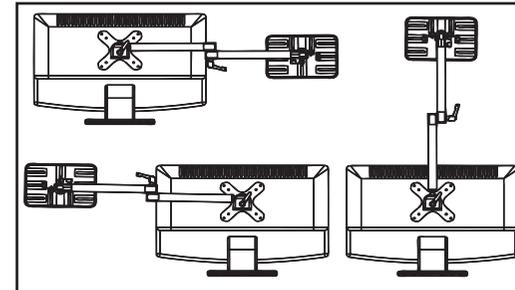

1. Screw L and ARROW CLIPS onto the TRAY with KNOBS. L Clips can be positioned (top/middle/bottom) to avoid buttons and connectors.

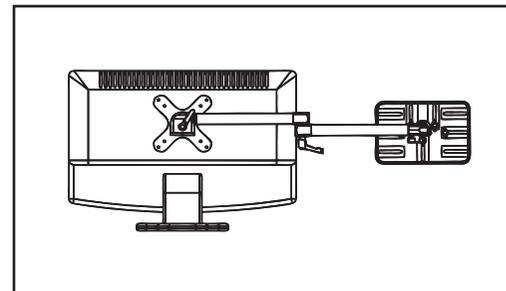

2. Install TRAY to the mount and make sure the KNOB is tightened.

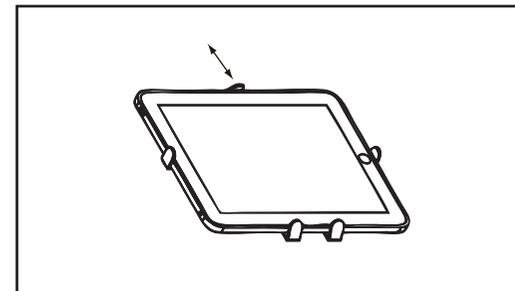

3. Install four screws to four corners VESA base.

4. The mount can be adjusted to different positions.

5. Max . loading : 1.5 kgs. (3.3 lbs)

6. Only adjust the single arrow clip to put on or take out the tablet or eReader . Remove device with caution.
