Caution

1. To ensure safety, please read this manual carefully before installation and follow the instructions herein. Store this manual in a secure place for future reference.
2. The manufacturer shall not be legally responsible for any equipment damage or personnel injury caused by incorrect installation or operation other than that covered in this manual.
3. The subject product is designed for easy installation and removal. The manufacturer shall not be liable for damage to equipment or personnel injuries arising out of human factors or acts of God, such as earthquake or typhoon.
4. It is recommended that the subject product installed by qualified personnel only.
5. Only install on horizontal desks and avoid slanted desk surfaces.
6. To ensure safe installation, first check the structure of the desk and select a secure mounting location.
7. The desk should be strong enough to sustain a weight of at least four times of the display and the subject product combined. The mounting location must be able to withstand earthquake or other strong shock.
8. Do not modify any accessories or use broken parts. Contact your dealer with any questions.
9. Tighten all screws (do not exert excessive force to avoid breaking the screw or damaging its thread).
10. Since the manufacturer has no way to control the desk type and installation of this product, the warranty of the product shall only cover the body of the product.
