## **Warranty Coverage**

Leyard/Planar warrants its products to be free from defects in material and workmanship during the warranty period provided below. If, in our determination, a product proves to be defective in material or workmanship during the warranty period, we will repair or replace the defective part with a similar new or refurbished part. If the issue is deemed a manufacturing defect, we will repair or replace the defective part at our discretion. If repair or replacement of the part or product is determined by us to not be commercially feasible, we will refund a prorated share of the purchase price (calculated based on the remainder of the warranty period and the then-current MSRP<sup>1</sup> of the same or a similar product).

Replacement of Leyard® Pliable LED Touch Surface™ (PLTS™) will also apply in cases covered under the LED Products Standard Limited Warranty. If a warranty event requires removal of the Leyard PLTS for access to the video wall surface for service or repair, Leyard/Planar will send a replacement Leyard PLTS.
