PRODUCTS ON DISPLAY

Leyard TWA Series LED Video Wall

The Leyard® TWA Series is a line of fine pitch LED video walls with a unique “flat panel” design that features a 16:9 form factor, ease of installation and service, and outstanding flatness and uniformity.

Clarity Matrix LCD Video Wall System

The Clarity® Matrix® LCD Video Wall System features the industry’s thinnest profile extreme narrow bezel width as small as 1.7mm and improvements in design, installation and service to deliver on its reputation as the best-in-class LCD video wall solution with even small bezels.

4K LCD Displays

Leyard and Planar offer a best-in-class portfolio of 4K LCD display solutions that deliver unparalleled Ultra HD image quality and performance for resolution-rich commercial applications. Available in sizes ranging from 50” to 98”, Ultra HD displays from Leyard and Planar deliver experiences that enable users to view and interact with 4K content in unique ways.

Desktop & Touchscreen Monitors

Leyard and Planar desktop monitors are sure to dazzle with unbeatable image quality and high performance. Leyard and Planar Touch Screen monitors are perfect for a variety of high-traffic environments and provide the ultimate touch experience on the desktop.

CERTIFIED TRAINING
