5-Year US Federal Extended Warranty

The Planar 5-Year US Federal Warranty Program is designed to optimize your investment, minimize downtime and reduce uncertainty. The Federal Extended Warranty expands Planar's Standard Warranty on our mission-critical, TAA-compliant display products, providing the coverage you need for a full five years across all qualifying products sold to US Federal customers.

PROGRAM ELIGIBILITY

- o This program expands the warranty on the following products:
 - Leyard® DirectLight® X LED Video Wall System
 - Leyard® TWS Series LED Video Wall
 - Leyard® TWA Series LED Video Wall
 - Clarity® Matrix® LCD Video Wall System
 - Planar® UltraRes™ Series 4K LCD Displays
 - Planar® EP Series 4K LCD Displays
 - Planar® QE Series 4K LCD Displays
 - Clarity® VCS™ Video Wall Processor
- o Must be purchased from an Authorized Planar Reseller Partner who is a Certified Installer of the product being purchased
- o Included Federal Warranty Part Number 990-1547-00 on Purchase Order
- o All Federal Orders must be registered online prior to Purchase Order being submitted to: www.planar.com/FederalDealReg
- o To ensure the Extended Warranty, a copy of the Purchase Order must be submitted to: FederalOrders@planar.com

USA PROUD

With over 30 years of serving the US Federal market, Planar has built a great reputation for providing service as well as display innovation and market leadership.

Let Planar Federal provide the display solutions to complete your mission.
