PRODUCTS ON DISPLAY

Leyard TWA Series LED Video Wall

The Leyard® TWA Series is a line of fine pitch LED video walls with a unique "flat panel" design that features a 16:9 form factor, ease of installation and service, and outstanding flatness and uniformity.

Leyard TVF Series

The Leyard® TVF Series is a family of fine pitch LED video wall displays with front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

Leyard VersaLight Series

The Leyard® VersaLight™ Series is an innovative family of LED video wall displays designed with flexibility to support a wide range of indoor and outdoor applications, in a variety of pixel pitches.

Leyard CarbonLight LED Displays

Leyard® CarbonLight™ LED Displays are designed specifically for rental, staging and fixed-flexible installations. With a broad range of models, Leyard CarbonLight LED displays deliver a wide range of unique LED display solutions for eye-catching, creative public venue installations.

Clarity Matrix G3 LCD Video Wall System

The next generation of the award-winning Clarity® Matrix® G3 LCD Video Wall System features a new, off-board video controller that offers unrivaled video processing capabilities built into the product.

Planar QE Series 4K LCD Displays

Plana® QE Series is a line Ultra HD resolution LCD displays that provide a simply impressive end-to-end solution for designing, distributing and playing back ultra-high resolution content on a single display or multiple displays within a network, dramatically reducing installation cost and complexity.

Planar Simplicity Series 4K LCD Displays

The Planar® Simplicity™ Series 4K line of LCD displays for digital signage incorporates cutting-edge 4K at 60Hz streaming, media playing, a sleek design and commercial functionality into an affordable 4K digital signage solution.

CERTIFIED TRAINING

Leyard and Planar are committed to providing comprehensive product and technology training and offer a range of courses at our Denver Showroom. For a schedule of Certified Training Courses, visit www.leyard.com/training.

FOR THE USA. FROM THE USA.

The combined Leyard and Planar organization has been doing business in the United States for over 30 years and has built a great reputation for service, innovation, and market leadership. This reputation has been earned across various functions and business activities of the company and continued investment reflects our ongoing commitment to providing our best to our US customers.
