PRODUCTS ON DISPLAY

Planar DirectLight X LED Video Wall System

With the off-board Planar® Video Controller, Planar® DirectLight® X becomes the industry's first LED video wall solution to embed advanced video processing directly into the product. Planar DirectLight X supports a range of fine pixel pitches and includes industry-leading wall mount, full front service access, a mission-critical design for 24x7 reliability and modern, web-based control and management software.

Planar MultiTouch LED Video Wall

Planar® LED MultiTouch is the industry's first completely seamless interactive LED video wall. Using Planar® PLTS™ (Pliable LED Touch Surface™) technology and a sleek framing system, Planar LED MultiTouch provides a 32-point simultaneous interactive surface for a dynamic multi-user experience.

Planar TWA Series LED Video Wall

Planar® TWA Series is a line of fine pitch LED video walls available in 0.9, 1.2, 1.8 and 2.5 millimeters pitches. Planar TWA Series is architected to support the highest pixel density and delivers benefits unique to its "flat panel" design including a 16:9 form factor optimized for the most popular high resolution standards, ease of installation and service, and outstanding flatness and uniformity.

Planar TVF Series LED Video Wall

The Planar® TVF Series is a family of fine pitch LED video wall displays available in 0.9, 1.5, 1.8 and 2.5 millimeter pixel pitches. Giving a new meaning to multi-functionality and quick installation, the Planar TVF Series offers front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

Planar CarbonLight LED Displays

Planar® CarbonLight™ LED Displays are designed specifically for rental, staging and fixed-flexible installations. With a broad range of models, Planar CarbonLight LED displays deliver a wide range of unique LED display solutions for eye-catching, creative public venue installations.

Clarity Matrix G3 LCD Video Wall System

The all new Clarity® Matrix® G3 LCD Video Wall System advances nearly every aspect of the unique Clarity Matrix architecture, building on the accomplishments of the award-winning family of LCD video wall solutions. It features a new, off-board video controller that offers unrivaled video processing capabilities built into the product.

Planar LookThru Transparent OLED Display

The Planar® LookThru™ Transparent OLED Display makes it possible to create truly see-through installations with a virtually frameless design, eliminating the needed for a backlight or enclosure. With 45 percent light transmissivity, the glass delivers all the benefits of interactive digital signage while allowing consumers to see products behind the display.

4K LCD Displays

Planar offers a best-in-class portfolio of 4K LCD display solutions that deliver unparalleled Ultra HD image quality and performance for resolution-rich commercial applications.

CERTIFIED TRAINING
