Planar DirectLight X LED Video Wall System

With the off-board Planar® Video Controller, Planar® DirectLight® X becomes the industry's first LED video wall solution to embed advanced video processing directly into the product. Planar DirectLight X supports a range of fine pixel pitches and includes industry-leading wall mount, full front service access, a mission-critical design for 24x7 reliability and modern, web-based control and management software.

Planar TWA Series LED Video Wall

Planar® TWA Series is a line of fine pitch LED video walls available in 0.9, 1.2, 1.8 and 2.5 millimeters pitches. Planar TWA Series is architected to support the highest pixel density and delivers benefits unique to its "flat panel" design including a 16:9 form factor optimized for the most popular high resolution standards, ease of installation and service, and outstanding flatness and

Planar TVF Series LED Video Wall

The Planar® TVF Series is a family of fine pitch LED video wall displays available in 1.5, 1.8 and 2.5 millimeter pixel pitches. Giving a new meaning to multi-functionality and quick installation, the Planar TVF Series offers front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

Planar MultiTouch LED Video Wall

Planar® LED MultiTouch is the industry's first completely seamless interactive LED video wall. Using Planar® PLTS™ (Pliable LED Touch Surface™) technology and a sleek framing system, Planar LED MultiTouch provides a 32-point simultaneous interactive surface for a dynamic multi-user experience.

Planar CarbonLight CLI Series LED Displays

The Planar® CarbonLight™ CLI Series is a line of lightweight, flexible LED video wall displays, ideal for indoor rental, staging and flexible-fixed applications. The Planar CarbonLight CLI Series' adaptable design is suitable for hanging and free-standing installations. The Planar CarbonLight CLI Series offers front service models in 1.9, 2.6, 3.9 and 5.2mm pixel pitches.

Clarity Matrix G3 LCD Video Wall System

The Clarity® Matrix® G3 LCD Video Wall System delivers the ultimate LCD video wall solution. The award-winning, Clarity Matrix G3 combines the industry's thinnest profile ultra-narrow bezel LCD's with industry-leading improvements to video processing, installation, management and off-board electronics, to deliver a next-generation video wall solution.

Planar UltraRes Touch 4K LCD Displays

Planar® UltraRes™ Touch combines a 75", 86" or 98" multi-touch experience with stunning 4K image clarity. It offers a best-in-class solution for professionals who seek to collaborate or annotate using a large viewing area, the highest image resolution, and enterprise-level features. Planar UltraRes Touch offers 32 points of multi-touch, multi-user technology, making it easy for multiple users to collaborate and interact at the same time.

Planar EP Series Touch 4K LCD Displays

Planar® EP Touch Ultra HD LCD interactive displays offer best-in-class 24x7 reliability with the stunning image quality of 4K resolution. Available in 50", 58" and 65", the Ultra HD displays can be oriented in landscape or portrait and come fully loaded with advanced features that matter most to digital signage and other commercial applications.
