### PRODUCTS ON DISPLAY

#### Planar DirectLight X LED Video Wall System

With the off-board Planar® Video Controller, Planar® DirectLight® X becomes the industry's first LED video wall solution to embed advanced video processing directly into the product. Planar DirectLight X supports a range of fine pixel pitches and includes industry-leading wall mount, full front service access, a mission-critical design for 24x7 reliability and modern, web-based control and management software.

#### Planar TVF Series LED Displays

The Planar® TVF Series is a family of fine pitch LED video wall displays available in 0.9, 1.5, 1.8 and 2.5 millimeter pixel pitches. Giving a new meaning to multi-functionality and quick installation, the Planar TVF Series offers front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

#### Planar VM Series LCD Video Wall

The Planar® VM Series is a line of LCD displays that deliver a feature-rich video wall solution for demanding 24x7 and high ambient light applications. With a variety of sizes, bezel widths and brightness levels, the Planar VM Series offers a nearly seamless video wall solution and compelling value to fit an organization's needs. The Planar VM Series features 49" or 55" Full HD LCD displays with tiled bezel widths of 0.88, 1.8 or 3.5mm, and between 450 and 700-nit brightness.

## Planar LookThru Transparent OLED Display

The Planar® LookThru™ Transparent OLED Display makes it possible to create truly see-through installations with a virtually frameless design, eliminating the need for a backlight or enclosure. With 45 percent light transmissivity, the glass delivers all the benefits of interactive digital signage while allowing consumers to see products behind the display.

## 4K LCD Displays

Planar offers a best-in-class portfolio of 4K LCD display solutions that deliver unparalleled Ultra HD image quality and performance for resolution-rich commercial applications.

## CERTIFIED TRAINING

Planar is committed to providing comprehensive product and technology training and offer a range of courses at our Northern California Showroom.

For a schedule of Certified Training Courses, visit: [www.planar.com/training](http://www.planar.com/training).

Planar has been doing business in the United States for over 35 years and has built a great reputation for service, innovation, and market leadership. This reputation has been earned across various functions and business activities of the company and continued investment reflects our ongoing commitment to providing our best to our US customers.
