

The Planar 5-Year US Government Warranty Program is designed to optimize your investment, minimize downtime and reduce uncertainty. The US Government Extended Warranty expands Planar's Standard Warranty on our mission-critical, TAA-compliant display products, providing the coverage you need for a full five years across all qualifying products sold to US Government customers.

ELIGIBILITY REQUIREMENTS

This program expands the warranty on the following products:

- Planar® DirectLight® X LED Video Wall System
- Planar® TWS Series LED Video Wall
- Planar® TWA Series LED Video Wall
- Planar® TVF Series LED Video Wall
- Clarity® Matrix® LCD Video Wall System
- Planar® UltraRes™ Series 4K LCD Displays
- Planar® EP Series 4K LCD Displays
- Planar® QE Series 4K LCD Displays
- Must be purchased from an Authorized Planar Reseller Partner who is a Certified Installer of the product being purchased
- Included Government Warranty Part Number 990-1547-00 on Purchase Order
- All Government Orders must be registered online prior to Purchase Order being submitted to:
www.planar.com/USGovDealReg
- To ensure the Extended Warranty, a copy of the Purchase Order must be submitted to: GovernmentOrders@planar.com
