

## PRODUCTS ON DISPLAY

### Planar DirectLight X LED Video Wall System

With the off-board Planar® Video Controller, Planar® DirectLight® X becomes the industry's first LED video wall solution to embed advanced video processing directly into the product. Planar DirectLight X supports a range of fine pixel pitches and includes industry-leading wall mount, full front service access, a mission-critical design for 24x7 reliability and modern, web-based control and management software.

### Planar TVF Series LED Video Wall

The Planar® TVF Series is a family of fine pitch LED video wall displays available in 0.9, 1.5, 1.8 and 2.5 millimeter pixel pitches. Giving a new meaning to multi-functionality and quick installation, the Planar TVF Series offers front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

### Planar CarbonLight CLI Series LED Displays

The Planar® CarbonLight™ CLI Series is a line of lightweight, flexible LED video wall displays, ideal for indoor rental, staging and flexible-fixed applications. The Planar CarbonLight CLI Series' adaptable design is suitable for hanging and free-standing installations. The Planar CarbonLight CLI Series offers front service models in 1.5, 1.9, 2.6, 3.9 and 5.2mm pixel pitches.

### Clarity Matrix G3 LCD Video Wall System

The Clarity® Matrix® G3 LCD Video Wall System delivers the ultimate LCD video wall solution. The award-winning, Clarity Matrix G3 combines the industry's thinnest profile ultra-narrow bezel LCD's with industry-leading improvements to video processing, installation, management and off-board electronics, to deliver a next-generation video wall solution.

## Planar LookThru Transparent OLED Display

The Planar® LookThru™ Transparent OLED Display makes it possible to create truly see-through installations with a virtually frameless design, eliminating the need for a backlight or enclosure. With 45 percent light transmissivity, the glass delivers all the benefits of interactive digital signage while allowing consumers to see products behind the display.

## 4K LCD Displays

Planar offers a best-in-class portfolio of 4K LCD display solutions that deliver unparalleled Ultra HD image quality and performance for resolution-rich commercial applications.

## Planar HB Series Huddle Board

Planar® HB Series Huddle Board displays are 75" or 86", 4K resolution, LCD touch screens with embedded tools tailored to in-room and remote unified communication. Their accurate Projected Capacitive, 20-point touch delivers effective interactive experiences, while the pre-loaded collaboration apps on its Android OS help remote workers feel involved.
