PRODUCTS ON DISPLAY

Planar TVF Series LED Video Wall

The Planar® TVF Series is a family of fine pitch LED video wall displays available in 0.9, 1.5, 1.8 and 2.5 millimeter pixel pitches. Giving a new meaning to multi-functionality and quick installation, the Planar TVF Series offers front serviceability and a creative stackable design that eliminates cabinet-to-cabinet cabling and reduces the complexity of installation and vertical alignment.

Clarity Matrix G3 LCD Video Wall System

The Clarity® Matrix® G3 LCD Video Wall System delivers the ultimate LCD video wall solution. The award-winning, Clarity Matrix G3 combines the industry's thinnest profile ultra-narrow bezel LCD's with industry-leading improvements to video processing, installation, management and off-board electronics, to deliver a next-generation video wall solution.

Planar HB Series Huddle Board

Planar® HB Series Huddle Board displays are 75" or 86", 4K resolution, LCD touch screens with embedded tools tailored to in-room and remote unified communication. Their accurate Projected Capacitive, 20-point touch delivers effective interactive experiences, while the pre-loaded collaboration apps on its Android OS help remote workers feel involved.

4K LCD Displays

Planar offers a best-in-class portfolio of 4K LCD display solutions that deliver unparalleled Ultra HD image quality and performance for resolution-rich commercial applications.
