The Planar® EP5824K display offers best-in-class 24x7 reliability with the stunning image quality of 4K resolution. The Ultra HD 58" display has multi-source viewing capability, supports 4K@60Hz through both HDMI and DisplayPort, is HDCP 2.2 compliant and can be oriented in landscape or portrait. It comes fully loaded with advanced features that matter most to digital signage and other commercial applications, such as an expansion slot supporting Intel’s Open Pluggable Specification (OPS) and built-in speakers. The Planar EP5824K delivers superior performance and reliability for demanding public venue, corporate and control room operations.
