

Planar MGP Complete 136

LED Video Wall Display

Planar® MGP Complete™ 136 is a Full HD, 136" LED video wall solution that includes everything an organization needs to deliver large-format beautiful video and imagery, in less time and with less effort. The solution comes with LED display cabinets, cables, spare modules, wall mounts and full-featured video controller all included. The ADA-compliant Planar MGP Complete 136 features front-side installation and serviceability for easier access and installation against the wall.
