## All-in-One LED Display

The Planar® UltraRes™ L Series URL136-T is an all-in-one, 136", Full HD resolution fine pixel pitch LED display. It features best-in-class on-board processing as well as audio, native multi-point touch and five video inputs to support up to four sources viewed simultaneously. It has a narrow bezel that facilitates 10-point touch for interactive environments such as meeting rooms and classrooms. Planar UltraRes L Series can be quickly assembled with only two people and is conveniently powered using a single 110V cable.
